

Excursion to The Embiez island

Hours: 08.00 AM - 5.00 PM

Excursion reference: #05

Price: € 120.00

The Embiez island is a French island located one kilometer from Six-Furs-les-Plages near Toulon.

The climate is typically Mediterranean with hot, dry summers and mild winters. Vegetation is typical of the Mediterranean environment with halophilic, xerophilic and heliophilic plants that adapt to salty environments, drought and sunshine. It is also a vineyard, with a 10 ha area, which produces PDO (protected designation of origin) Côtes-de-Provence rosé wines and wines Var (PGI).
