

Excursion to Friuli Islands

Hours: 08.00 AM - 4.00 PM

Excursion reference: #03

Price: € 110.00

Friuli Islands are an archipelago located about 2.7 km off the endome district of Marseille. It is composed of four islands. These islands, because of their strategic position in the harbor of Marseille, have for a long time been maritime outposts: each eminence carries a military fort; trenches, observation posts, can be found throughout entire archipelago.
