 - maximum duration: 6 minutes.
 - maximum 1 Go

Submission confirmation

All submitters will receive a confirmation of submission by email. Your submissions can also be viewed in the "My submissions" section.

If you do not receive an e-mail confirmation, please check your online submission status. Make sure that you have access to the email address you have used at the time of submission.

Video selection

Each video will be reviewed by members of the Education Committee and only those who meet the criteria listed above will be selected for presentation during the SECEC Annual Congress. The review process aims to assess the quality, relevance, and scientific merit of each submission.

The SECEC Education Committee will be solely responsible for selecting the videos that will be played at the Annual Congress.

**SECEC
CONGRESS**

17-19 September 2025
Rotterdam, the Netherlands

The submitters will be notified the acceptance/rejection of their video by email.

Should your video be selected, it will be played in a dedicated video area of the exhibition hall. The audience will have the opportunity to vote for the two best videos (one shoulder and one elbow) via the congress app.

The two best videos will be included on SECEC's YouTube channel and promoted on SECEC social media after the congress. They will each receive a one free registration for the next Annual Congress.
